COMMUNITY CHURCH

Items Needed for the One-Day Medical Clinic

On Saturday, Feb. 25th, from 12 to 4 p.m., the 930 will be transformed into a one-day medical clinic. We hope to provide 200 uninsured families with the medical care they need. To make sure this happens, we have partnered with the American Red Cross, the Kentucky Lions Club, Norton Cancer Institute and numerous doctors, medical staff and nurses. We hope you take great joy in helping serve by providing the items below. Please drop off items by Feb. 24th at 930 Mary Street. For more information, contact Josh Thomas at jthomas@sojournchurch.com.
